COMPANY PROFILE

Peace International Trading LLC started in March, 2010 on a solid foundation of experience, success both individually and collectively, by its founders. When we realized the huge potential in the Commodities trading industry **Peace International Trading LLC**. quickly set our sights on the next path to Success. In an effort to diversify our portfolio, expand into new markets, and ensure our success, we have created a global network of highly experienced industry professionals. Through this tightly integrated network, we have quickly inherited long - standing and solid relationships worldwide.

CORPORATE OVERVIEW:-

Peace International Trading L.L.C. is a registered company in the United State of America – Delaware State -and branch office in Pennsylvania- Philadelphia (USA) **Mr. Elgasim Salih**, our President and Legal Representative. **Mr. Elgasim Salih** vast experience in the Oil & Gas Industry, spanning over 3 years, has laid the groundwork for **Peace International Trading L.L.C...** Interpretation of the intricacies, strategies, and general dynamics of the Industry. Our focus is primarily structured around the procurement and resale of Crude Oil and Refined Petroleum Products which include Diesel Oil, Aviation Kerosene, and Automotive Fuels. At **Peace International Trading L.L.C.**, we have established a Code of Ethics that is strictly followed in every business transaction and can be summarized by the following:

Core Values – Lessons learned from time of experience in the Oil Industry have taught us that, in order to be successful, any transaction or communication must exude credibility, honesty, and transparency. These attributes must be personified not only when we interact within our network of buyers, sellers, consultants, and brokers, but rather, they should be visible in everything we do. We regard all of our clients, buyers and sellers, and members of our support network, brokers, consultants, a intermediaries, as stakeholders in our business. Integrity – The importance of transparency and honesty with the understanding that it is better to always speak the truth when developing relationships, maintaining relationships, and concluding business transactions. At **Peace International Trading L.L.C.** we strive to create relationships that are open from the beginning and we respect that our clients and partners portray a similar sentiment.

Professionalism – Each of our buyers, sellers, brokers, intermediaries, and consultants are different. In this shrinking global economy we are faced with people from every culture and creed. It is our foremost mandate to treat each individual with the same respect and gratitude as the next, and, we appreciate all relationships. This has put us on a path that has given **Peace International Trading LLC**. It is an amazing opportunity to make a name for ourselves in this industry.

Headquarters;

Peace International Trading LLC. global headquarters are located in USA & Middle East. This is where most of our team meetings occur, and where we welcome business partners from around the world.

Global Partners:-

Because of our extensive network of industry professionals **Peace International Trading LLC** already have strategic partners with some of the largest major energy companies, such as Petro Energy Group in Italy, BGC International L.L.C. in United Arab Emirate, Horus International Trading Construction, Import & Export in Egypt, and Jory International Company LLC in the USA. We also equally value our smaller volume partners and make sure we provide them the same level of attention and service as our larger clients demand. Recently **Peace International Trading LLC** has expanded beyond oil and fuel products. We have now entered the minerals and metals sectors.

CORPORATE STRATEGY:-

Our corporate strategy is to operate globally and in line with the Oil & Gas Industry standards. The natural course of our business leads us to propose strategic alliances with business partners in order to achieve mutually beneficial results, and ultimately, steady growth. We seek to develop long term relationships directly with suppliers that we can increase purchasing volumes with steadily and safely. Our EXIT strategy for our products is simple. We have tried and tested relationships with other resellers and with major airlines, governments, and petroleum end users. Our purchasing capacity is growing as a result of our ever-growing experience and the number of successful contracts.

Thank you for your interest in doing business with our company. We look forward to a Successful business relationship.
